As bold as a burglar is an old saving; but burglars in Chiengo are no match for bank directors, when it comes to the real test of bravery. The other night three "crossmen" broke into the residence of Mannel Talcott Esq., on the West Side. Mr. Tacott is a director of the First National Bank, and was for some time president of the Board of Police. He does not know what fear is, and when awakened by his wife, he jumped out of bed and went for those burglars in a way they despised. With a chair as his only weapon he advanced upon the thieving trio, one of whom ordered a halt, or he would send the old gentleman to eternity. Mr. Tulcotta would not halt, and the burglar fired, but missed his mark. One of the fellows was felled with the chair, and as the others turned to escape one of them again fired gr. the old gentleman. Fortunately the biskl missed Mr. Talcott, but struck a pet parret, killing it instantly. The fellows randatto shirt, closely following them. The unise they made awoke a policeman justin the nick of time, and octore they could get out of the way all three were captured. - Beiltimore American.
